

POLI 345 - Course easter egg responses

"I love limericks"

A mathematician confided:
a Möbius strip is one-sided.
You'll get quite a laugh
if you cut one in half,
for it stays in one piece when divided.

"If you were a bird, what bird would you be and why?"

I'd like to be a kākāpō, a flightless and solitary parrot native to New Zealand. I'm petrified of heights, so flightless is good. I also like to be alone, so spending 100 years in a forest in New Zealand with no fear of natural predators sounds like a pretty sweet deal to me.

"please send me your best pun"

Rest in peace, boiling water. You will be mist.
